Kids: Ask your parents or your family:
Are we ready for an emergency?

What would you do if there were an emergency? Does your family have a plan and emergency supplies? The best way to be ready for an emergency or disaster is to get prepared before one ever happens. To make sure your family is ready, ask your parents or caregivers the following questions. Then use materials from APHA’s Get Ready: Set Your Clocks, Check Your Stocks campaign to put together an emergency preparedness kit for your family.
